PURPOSE

The purpose of this agreement is to maintain collaboration between Tufts University and members of the Honors Transfer Council of California in order to facilitate the smooth transition, according to standards consistent with the Tufts University transfer policy, of exceptional students from member community colleges to Tufts University for completion of students' bachelor's degrees.

MEMBERSHIP

This agreement includes all member colleges of the HTCC.

GOALS

- Encourage exceptional HTCC honors students to enroll at Tufts University.
- Assist transfer students in the transition from HTCC honors programs to academic degree programs at Tufts University.
- Promote student academic preparation and transfer planning.
- Support and promote the value and benefits of community college transfer.
- Expedite baccalaureate degree completion by HTCC honors students.

COMMITMENT BY TUFTS UNIVERSITY

As part of this agreement, Tufts University will:

1. Offer campus visits.
2. Consider a transfer applicant's completion of an honors program at an HTCC-member community college to be evidence of enhanced rigor in academic preparation for transfer.
3. Meet full demonstrated student financial need as determined by the financial aid eligibility criteria of Tufts University Student Financial Services.

4. Guarantee on-campus housing.
5. With the announcement of admission, provide a preliminary evaluation of transferable credit.
6. Provide orientation for newly enrolled transfer students.
7. Designate admissions liaison to HTCC and member colleges. The initial liaison will be Senior Admissions Officer Kim Barth Kembel.
8. Work with the HTCC Chair of Transfer Relations toward the goal of articulating course patterns that would enable HTCC students to fulfill the lower-division portion of Tufts University's graduation requirements to the greatest extent possible before transfer.

COMMITMENT BY PARTICIPATING HTCC COLLEGES

As part of this agreement, participating HTCC community colleges will:

1. Provide an organized structure for development and offering of honors courses. Such a program will be represented in each member college's governance structure and will be directed or coordinated by a member of the college's instructional faculty.
2. Identify an honors/scholar counselor from each member college to serve as primary liaison between Tufts University and student members of HTCC honors programs.
3. Work with the Office of Undergraduate Admissions at Tufts University to ensure the completeness of each applicant's admission file.
4. Encourage periodic review of the transfer curriculum to ensure that it is feasible for its honors students to transfer to Tufts University. HTCC member colleges will ensure that their eligible honors graduates have (a) fulfilled their college requirements with a GPA of 3.5 or above, and (b) completed the honors program with at least 15 units of an honors curriculum involving intensive writing and critical thinking.
5. Provide Tufts University with opportunities to recruit honors students on their campus.
6. Provide students in its own honors program with information about Tufts University requirements, so that those students can consider the advantages of selecting classes with the objective of successful transfer through this partnership.

COMMITMENT BY THE HONORS TRANSFER COUNCIL OF CALIFORNIA

1. Require the Chair of Transfer Relations to be continually available in order to facilitate communication among Tufts University, the HTCC, and HTCC member colleges.
2. Require the Chair of Transfer Relations to annually review the lines of communication and accuracy of the contact information of all parties to this agreement.
3. Require the Chair of Transfer Relations to work with Tufts University toward the goal of articulating course patterns that would enable HTCC students to fulfill Tufts University's General Education requirement to the greatest extent possible before transfer.
