

Name (and School) _____

Group _____

Poster Grading Rubric (HTCC – Conference)

SCORE 0-10 WITH 10 BEING THE STRONGEST			
WEAK			STRONG
Visual Appeal	Poster lacks visual appeal.	→	Poster is attractive as designed.

SCORE 0-30 WITH 30 BEING THE STRONGEST			
WEAK			STRONG
Scholarly Presentation	Poster lacks organization (e.g., hypothesis, methodology, results, discussion), scholarly terminology specific to the academic discipline, and scholarly tools (e.g., diagrams, timelines, charts, graphs, tables)	→	Poster is well organized according to scholarly categories, correctly uses scholarly terminology specific to the academic discipline, and employs scholarly tools to illustrate/emphasize findings.
Originality	Content is very limited, only summarizes others' viewpoints or findings, and/or does not contain original research.	→	Content exhibits truly original methods, theory, and/or findings.
Previous Scholarship	No sources are cited, and poster shows no evidence of research.	→	Content fits into the body of scholarship by tying into previous research and/or major theories. Appropriate sources are cited correctly.

Total (Maximum 100 pts.) _____
